## FIRST GRADUATION TUESDAY

**Tech Yearbook 'The Cardinal' Due July 15**

**79 Slated for Graduation Tuesday**  
 And 45 for Commencement

The 1933 edition of the Cardinal student yearbook will be distributed about July 15, Editor Ray Hudson has announced. Students who will not be in summer school or who will not be able to pick up annuals at that time are requested to drop them at the Cardinal office, 221 E. 2nd, and leave a mailing address. Books which are not paid for in advance will be mailed C.O.D. for \$1.00.

"I regret very much that the while the majority of the annuals are still in the campus," Hudson said, "but difficulty obtaining individual photographs for class sections and short-hand possible to do so."

Final copy for the yearbook will be delivered Sunday morning at 8 o'clock in the college auditorium by the Rev. W. Wallace Farris, pastor of the First Presbyterian Church, Port Arthur.

Graduates and their families will be honored at a reception Sunday afternoon from 2 to 4 o'clock on the patio of the Student Union building.

Dr. McDonald is Speaker

Commencement will be at 8 o'clock Tuesday in the auditorium with Dr. E. L. McDonald, president of the college, as the principal speaker. He also will present the diplomas.

Lamar State College of Technology, Beaumont, Texas, will hold its first graduation exercises Tuesday evening, May 29, at 8 o'clock. Seventy-nine students are candidates for diplomas and 45 are scheduled to receive certificates of completion in terminal programs of two-year work.

The commencement exercises will be held in the college auditorium at 8 o'clock Tuesday evening at the home of the First Presbyterian Church, Port Arthur.

Graduates and their families will be honored at a reception Sunday afternoon from 2 to 4 o'clock on the patio of the Student Union building.

# MESSAGE FROM THE PRESIDENT

Dear Graduates,

I am incredibly honored to be here with you today to celebrate your remarkable achievements and to confer your degrees from Lamar University. As the day unfolds, I hope you will really let it all soak in. Take time to consider what you value now, the potential you carry as lifelong learners, and the profound ways in which you've grown and changed over the past few years. When you cross the stage today, you'll be stepping into a new chapter of your life. Your families, friends, professors, and mentors are all here to share in this significant moment with you. Today is your day, and it will always be an essential part of your story.

You're also an integral part of the Lamar University story. Each of you now joins a long line of alumni who have made tangible impacts in their fields. Your experiences have transformed you into a professional capable of grappling with complex challenges on a global scale. I am confident you will make an impact wherever you choose to live and work. Our Cardinal spirit knows no boundaries.

As a part of our Centennial graduating class, you'll always be a special part of our history and legacy. I have no doubt you are poised to make our second century even more transformative than the first.

Wishing you good health and happiness and may the memories of your time at Lamar University stay with you for the rest of your life.

Congratulations once again!

Sincerely,  
Jaime Taylor, Ph.D.  
President

# BIOGRAPHY

## REP. BRIAN BABIN (TX-36)

U.S. Congressman Brian Babin was sworn into the 114th Congress on January 6, 2015. As a life-long resident of East Texas, he proudly serves the people of Texas' 36th Congressional District –including the counties of Chambers, Liberty, Hardin, Tyler, Jasper, and Newton, as well as portions of Jefferson and southeastern Harris Counties.

Congressman Babin was born in Port Arthur and grew up in Beaumont. He graduated with a Bachelor of Science from Lamar University and completed dental school at the University of Texas Dental Branch in Houston. He and his wife, Roxanne, have been married since 1972.

Babin served as an airborne artilleryman in the U.S. Army Reserve and the Texas Army National Guard. After completing his education, he served in the U.S. Air Force and was stationed overseas. He and Roxanne then settled in Woodville, Texas, where he owned and operated a dental office for nearly 40 years.

Babin has served his community as Mayor, City Councilman, and School Board Member. He served as Director of the Tyler County Chamber of Commerce and President of the Lions Club. In 1999, Babin was appointed by then-Gov. Bush to serve on the Lower Neches Valley Authority and was reappointed by Gov. Perry.

As a Member of Congress, Babin serves on the House Transportation and Infrastructure Committee and the House Science, Space, and Technology Committee. These assignments give him the platform to provide for the economic needs of the 36th Congressional District, which is home to NASA's Johnson Space Center, four deep-water ports, and numerous oil and gas refineries.

Additionally, Babin has been selected to serve as Chairman of the House Space and Aeronautics Subcommittee, which has jurisdiction and Congressional oversight authority over all matters relating to U.S. national space policy, including NASA and space commercialization. He also serves as the Co-Chair of both the Space Force Caucus and the Border Security Caucus.

Babin and Roxanne have five children and 17 grandchildren. Making America safe, strong, and economically secure for the future of his children and grandchildren remains his reason for running to maintain his seat in Congress and proudly serve the people of TX-36.

# COLLEGE OF ARTS & SCIENCES

## DR. LYNN MAURER, DEAN

We are pleased to celebrate your graduation from the College of Arts and Sciences at Lamar University. As a student, you have enriched the intellectual and cultural ambience of LU and we are grateful for your participation in the Cardinal community. In return of your hard work and dedication, you have now earned your degree, which is yours for life. You have gained the prestige and pride of being a Lamar University graduate.

The College of Arts and Sciences proudly encompasses a wide range of interconnected disciplines from the natural sciences, behavioral sciences, and humanities to the professional degrees such as nursing. You graduate today knowledgeable in your major area and prepared to live in an interconnected world, understanding the context in which you live, work and contribute as a global citizen.

We wish you a lifetime of happiness, a successful and rewarding career, and the support of friends, family, and colleagues.

We hope that your time at Lamar has been transformative and that you will always think of Lamar University as your home.

Congratulations!

## COLLEGE OF BUSINESS

# DR. JAMES LUMPKIN, INTERIM DEAN

I am honored to join you in celebrating this very important occasion – your graduation from Lamar University. Your journey to this achievement has been marked by years of dedication and effort, as you channeled your energy towards earning your degree. Amidst challenges, you and your fellow classmates have shown resilience and determination.

As you stand at the threshold of a new chapter, I encourage you to carry forward the lessons imparted by the faculty and the unique experiences gained from being a part of the vibrant Lamar spirit and diverse student body. Take these lessons and share them, not only within your own circles, but also with others who will follow in your footsteps.

I invite you to consider becoming ambassadors of knowledge and inspiration for future Lamar students. Return to our campus, offer guest lectures, participate in panel discussions, recruit talented graduates for your organizations, and engage in the myriad events organized by our Alumni Affairs. Embrace the opportunity to give back, for your experiences and insights can impact the lives of those who will come after you.

At Lamar University, success is not just a goal; it is a shared commitment. The entire Lamar community, including our dedicated faculty, staff, university administration, and myself as Interim Dean of the College of Business, extends our heartfelt congratulations to each of you. You are now members of the proud Class of 2024, and we applaud your accomplishments with pride.

Warm regards,

**Dr. James Lumpkin, Interim Dean**

# COLLEGE OF EDUCATION & HUMAN DEVELOPMENT

## DR. ALBERTO RUIZ, DEAN

To the Graduating Class of 2024,

I am given the special privilege to extend my most sincere and enthusiastic congratulations to you, our graduates. Commencement is the beginning of the next chapter in your lives, and I am honored to cheer you on. You start the day as a college student, and you end the day as a graduate embarking on a new journey. You might ask yourself, “So, what’s next for me?” and wonder what is on the horizon. If anyone is equipped and able to answer those questions head-on, it’s you. You are stronger and ready to face the world because of what you experienced during your time as a Lamar University student. There are countless opportunities around every corner just waiting to be explored. Enjoy the exploration! Ask the hard questions, take those risks and plant the seeds of your future. It is time for you to embrace your passion and work hard to keep it. You have all completed a rigorous program of studies, which has taught you to think critically and thoughtfully, to express opinions in a respectful manner, to evaluate options, to make informed decisions and to move forward in life. Reflect on the difficult, taxing and costly journey from where you started to where you are now. This moment proves that you are indeed capable and ready for what is to come. Once a student, now a Cardinal alum. Be proud of yourselves and take this moment to appreciate and celebrate all you have achieved. You did it!

# COLLEGE OF ENGINEERING

## DR. BRIAN CRAIG, DEAN

Dear May 2024 Graduates, Families and Friends:

On behalf of the Lamar University Administration, the College of Engineering Leadership Team, and faculty and staff of your academic departments, I offer my congratulations on achieving this very significant milestone. You are graduating during a once-in-a-lifetime, the first graduating class following LU's Centennial celebration, and leading the way into LU's second century. Each of you has worked hard to get this point, with the guidance and support of family, friends, and Lamar University (LU) faculty and staff. You have persevered through a challenging journey, demonstrating your own fortitude and demonstrating that we all are stronger together and stronger than ever. We are very proud of each of you. This commencement ceremony has three purposes; the first is to formally celebrate your achievement, the second is to thank those who helped you along the way, and the third is to mark the beginning of next phase of your life.

When you walk out of these doors as LU graduates, you will set new goals, and I know you will pursue them with the same or even higher levels of dedication. My wish for you is that you set the right goals. Set them high enough that you must work both smart and hard to achieve them, and then feel the satisfaction that comes from seeing your work and preparation pay off. The key to success is to focus on goals, not obstacles. For as many have noted, success lies at the intersection of hard work and preparation.

In your years at LU, you have been prepared and encouraged to pursue learning as a life-long endeavor. Always seek new knowledge, because the world is changing faster than ever before, and you will benefit from remaining curious and increasing your skills. Along the lines of life-long learning, I would like to extend an offer to each of our undergraduate engineering graduates to continue your education in one of our master's degree programs and we will waive the GRE requirement.

Socrates said, "the unexamined life is not worth living." Continue to question your path, always mindful of your ultimate goals. If you find that your desires change, never be afraid to change course and set new goals so that you can achieve success.

In closing, I ask that you remain engaged with Lamar University. I encourage you to support LU by joining the LU alumni association, participating in programs, sharing your LU experience with others, and I hope that you will keep us updated on your many achievements to come.

With Cardinal Pride...

***Dr. Brian Craig, Dean***

# COLLEGE OF FINE ARTS & COMMUNICATION

## DR. GOLDEN WRIGHT, DEAN

One of the highest accomplishments one can achieve is earning a university degree. The challenging circumstances in which you earned this degree makes it even more admirable. Showing this kind of perseverance and resilience will take you far in life.

Success is not achieved alone. Faculty members and staff of this college, your parents, family, and friends should also be recognized for providing moral, financial, and mentoring support which made today possible for our graduates. I hope you will find a moment to celebrate this life changing event with your loved ones. Today, the faculty and staff of the College of Fine Arts and Communication are all celebrating your successes.

As the Dean of the College of Fine Arts & Communication, I am very proud of our college, not only in the quality of our teaching and research but also the disciplinary diversity. From art, music, theatre, and dance, to communications, media, deaf studies, deaf education, and speech and hearing sciences, the goal of these programs is to improve our communities and society.

As our students leave us to move forward on their career paths, my hope is that you continue to be lifelong learners. This will be an essential part of your future successes. Remember, Lamar University is always here to offer that opportunity. Please return as alumni and we will welcome you back in your roles as mentors and role models for our students. Lamar University will be your academic home forever.

Enjoy your new-found and hard-earned success. We all wish you a long and successful career in the field you love.

***Dr. Golden Wright, Dean***

## COLLEGE OF GRADUATE STUDIES

# DR. BRETT WELCH, DEAN

It is an honor for me to congratulate you on this accomplishment. You are now a member of a select population of those holding an advanced degree. Whereas this milestone should be celebrated, do not rest on these laurels. This is only the beginning.

The graduate degree you have earned not only places you in a unique group of scholars but will open doors to opportunities that previously would not have been attainable. You are now equipped with even more knowledge and skills to encourage growth and inspire others. You are a leading voice and decision maker in your field. Embrace this responsibility and continue to take the same energy and passion used to obtain this degree into your new world.

Finally, know that the Lamar University community is proud of you. As you move forward in your career, please display, and speak of your Lamar accolades with pride. What you have earned did not come easy, so use these experiences to inspire others. Whereas I wish you to always have happiness in your endeavors, I challenge you to never be satisfied. Keep pushing forward and keep learning. You are the future.

***Dr. Brett Welch, Dean***

## REAUD HONORS COLLEGE

# DR. TILISA THIBODEAUX, DEAN

It is my absolute honor to congratulate you on behalf of the Reaud Honors College at Lamar University. You have taken a huge step toward fulfilling your lifelong goals and dreams, and there are many amazing opportunities that lie ahead for you.

Simon Sinek (2009) stated, "...achievement comes when you pursue and attain what you want; success comes when you are clear in pursuit of WHY you want it" (Sinek, 2009). It is my hope that as you reflect on your learning journey over the past several years, you have been able to identify your passion and inspiration along the way. If you have, I encourage you to articulate your passion and share your inspiration in everything you do and every decision you make, and most importantly, learn to inspire others the way you have been inspired.

As you navigate the next steps in your journey, learn how to turn your greatest struggle into your largest gain. When success doesn't come easy, dig deep and become a positive deviant, even if that means stepping away from what you would normally do. Embrace the "messiness" of learning and understand that failure is measured by YOUR definition of the word. Life will consistently test your perseverance, but grit and persistence will help you move the needle on your wildly important goals. Try to lead as you serve others and spend time building relationships with all kinds of people, especially with folks that are different than you. And above all, listen intently and care about others as you grow and learn; you may be surprised at who will become your greatest asset and an integral part of your journey along the way.

The Reaud Honors College encourages Honors Cardinals to embark on a personalized journey where they can align their passions with a purpose to imagine, innovate, impact, and inspire campus life at Lamar University.

Marking LU's Centennial year, twenty students registered for Fall 1963, the first-ever semester of the Honors Program, making it the oldest Honors Program in the Texas State University System (60 years). From its humble beginnings as an Honors Program offering only a handful of Honors classes, the Reaud Honors College has grown into one of the most active and influential colleges on campus, with an award-winning Honors Student Association, an Honors residential wing at Campbell Hall in Cardinal Village, and a permanent home in the Wayne A. Reaud Administration Building where student camaraderie can flourish.

Always rigorous and challenging, the Honors College experience affords academically talented and highly motivated students the opportunity to expand their intellectual abilities, delve into the realm of original thought, and connect with other students who share their passion for academic excellence and exploration.

We know you will be successful in all that you do moving forward, and we are proud to call you a Lamar University Reaud Honors College graduate! Our door is always open, and we invite you to stay connected with us so you can come back and share your inspirational story with our future students and graduates.

Congratulations to all the graduates!

## UNIVERSITY MACE

The mace has gradually assumed a purely ceremonial character symbolizing the authority of the Board of Regents, The Texas State University System and the Office of the President of Lamar University. The Lamar University mace is traditional in design. The walnut shaft is crowned by a wooden cube. Each side features a representation of Lamar University's seal, against a background of red velvet.

## GUIDELINES FOR GUESTS

Commencement is a significant and solemn event, the recognition of years of study. To maintain the dignity of the ceremony, guests and participants are requested to refrain from unnecessary noises (air horns, etc.) and movement during the ceremony. Only the official photographer is allowed on the arena floor.

## ACADEMIC GONFALONS

Gonfalons, banners that are designed to hang from a crossbar, have historical roots dating back to the 12th century when they served as the official emblems to represent the various districts of Florence, Italy. In more recent times, gonfalons have been adopted by academia to serve as symbols to represent each college within a university. Each college has their own representative banner with the dean from the respective college or an appointed designee carrying the gonfalon in the academic procession.

## VETERANS MILITARY MEMBERS

Lamar University is proud to recognize graduating veterans with a red, white and blue triple cord. On behalf of the entire Lamar University community, President Jaime R. Taylor and the LU administrative officers, we extend our deepest gratitude and congratulations to these distinguished graduates.

## ACADEMIC REGALIA

The academic regalia worn at American university exercises, originated in the Middle Ages. The oldest universities grew out of church schools, and both faculty and students were regarded as part of the clergy. Hence, they wore robes as part of their costume, borrowed largely from the monastic dress of their day. Today, there is a Code on Academic Costume, detailing appropriate regalia attire.

The cap, the square mortarboard in American universities for undergraduate and master's students and a round, short, flat velvet cap for doctoral students. The cap is always black and should match the material of the robe.

The gown is usually black. The bachelor's gown has pointed sleeves and the master's gown has long pouch-like sleeves. Doctoral gowns are faced with velvet down the front and three bars of velvet across each sleeve.

The hood, worn around the neck and hanging in the back, is the principal emblem of the nature and source of the degree held. The colors in the hood lining are the colors of the school conferring the degree. The color of the border indicates the scholarly field of study.
