

Academic Suspension Next Steps Guide

- Review [Lamar University's Academic Probation, Suspension \(Dismissal\), and Undergraduate Grade Replacement policies](#) to make sure you understand them.
- Identify your Success Team, which usually includes your Academic Advisor, College Success Coach, Academic Coach, Instructors, Tutors, and other academic services. You can also include family members, friends, and classmates for social and mental support.
- Check your LU email for further instructions from the Office of Student Success.
- Complete the [Academic Recovery Plan](#) to address challenges and set S.M.A.R.T. goals to support your success.

**Please note that your Academic Recovery Plan will take the place of your Cardinal Success Plan upon returning to Academic Probation after your suspension term was met.*

- Attend the required **two** success appointments with the Assistant Director of Student Success Services to discuss your concerns, future goals, and registration preparation. Your account will have an Academic Suspension hold until after the last required appointment.
- BELIEVE IN YOURSELF AND KEEP PUSHING FORWARD! YOU GOT THIS!**
